

Postdoctoral Fellow Research Progress Report

According to the regulations of the Research and Development Authority, you are kindly requested to submit the following yearly report, reflecting your research progress. Please complete the following form:

Post Doc. Name	ID/Passport No.	Advisor's Name	Postdoctoral Fellow's Start-date

1. The Postdoctoral Fellow is responsible for completing and submitting this form to his/her advisor.
2. The advisor is responsible to append his/her recommendation to the form and submit it to the Research Authority (dean.rnd@ariel.ac.il).
3. The Research Progress Report should include the following:
 - a. A concise description of research milestones achieved.
 - b. Peer-reviewed articles published or under review.
 - c. Conferences in which the Fellow has presented.
 - d. Other significant research activities.
 - e. The Advisor's recommendation (Please consider the Fellow's scientific progress, as well as his/her integration into the laboratory and University, as well as any other relevant information.).
