Strategy Consulting essay

please complete an essay of 500 words (2 pages, font 12, double spacing) that addresses the following issues:

- My proven analytical capability
- My proven team work and ability to work independently
- My proven quick learning capabilities
- How are these capabilities come to bear in my daily life and past experiences.

The essay should be written in the form of a story rather than mere answers to the questions. Your communication capabilities will be learnt from the flow of the essay and the way your argument is presented.
